Average (Levelized) Payment Plan Request Form

The PenTex Energy Average Payment Plan is available to qualifying residential members of the Cooperative who desire to pay an average amount each month.

Your average monthly payment will be determined monthly by averaging the most recent 12 months of billing history, including the current month's billing. Because this is a moving average, your monthly bill will normally fluctuate slightly depending on your history and current usage.

To qualify, the following conditions must all be met:

- Residential consumers only.
- 12 months of history on this account.
- Current account balance equal to zero
- Not more than 2 delinquents in 12 months (payments received after 16 days)
- No cut-off notices in last 12 months. (payments received after 26 days)

Terms of this Billing Plan require all payments made on time. If payments are not received by the due date, the plan will be subject to termination. If the plan is terminated, all balances are due and payable at time of termination.

PenTex Energy's Bank Draft Plan is strongly encouraged in conjunction with this average billing plan.

Complete billing information will be mailed monthly including current bill account balance and amount due.

By Signature below, I request entry into the Average Payment Plan.

PenTex Energy Account Number: _____

PenTex Energy Account Name: _____

My initial month for Average (Levelized) Payment will be approximately _____

I agree to make the monthly average payments on time. I understand if payments are not made on time, this account will be subject to termination and all outstanding amounts will be due, in full at that time.
